

Economic Development Profile

CITY OF BURLINGTON

2012

Overview

The City of Burlington was settled in 1835 by Moses Smith and William Whiting. Since then Burlington has become home to the Nestle Chocolate factory, and nearly 10,500 residents. Situated between Milwaukee and Chicago, the city is centrally located with effective transportation provided by four major highways. Located on the White and Fox rivers, the city offers the best of all seasons with a historic downtown, improved infrastructure, broad clientele base, a business & office park and an industrial park offering large and small lot opportunities, making Burlington an inviting place to do business.

Location

City of Burlington

Four major highways, railroad access and excellent proximity to two Interstate highways, as well as to Milwaukee and Chicago area markets, make Burlington the ideal place to locate or start a business without leaving behind the "small town" charm and friendliness that are essential to the quality of life here. The city has a total area of 7.83 square miles with a travel commute of 30 miles to Milwaukee and 65 miles to Chicago.

Racine County

Racine County is located on the shores of Lake Michigan in southeastern Wisconsin, south of Milwaukee and north of Chicago. The county is made up of two cities, seven villages and nine towns. I-94 links Racine County with Milwaukee, Madison, and Minneapolis to the West, and Chicago and Detroit to the East.

With a population determined in 2010 to be 195,408 people over 333.1 square miles, Racine County is the 5th most populous county in Wisconsin, and has the state's third-highest population density at 587 people per square mile.

Source: www.racine.org

Walworth County

Walworth County, located in southeastern Wisconsin, is one of the oldest and wealthiest counties in the state. The county is made up of four cities, eight villages and sixteen towns. I-43 links Walworth County with Milwaukee to the north and Rockford to the south.

Walworth County has a diversified topography and is a perfect square in shape, containing 576 square miles. With a population determined in 2010 to be 102,228, Walworth County has a population density of 184 people per square mile.

Why Wisconsin?

- Wisconsin has a highly-skilled, productive workforce and it is the state's most important asset.
- Wisconsin is among the top fifteen states in industrial production.
- Wisconsin has property tax exemptions for manufacturing machinery and equipment, inventories and computer equipment. Tax credits exist for R&D and sales tax exemptions for manufacturing machinery and equipment, as well as manufacturers' raw materials, fuel and electricity used in manufacturing.
- Wisconsin offers widely-available air and rail service, complemented by a comprehensive network of toll-free, controlled access highways and multi-modal facilities.
- Wisconsin's energy, health care, housing, insurance costs and commute times are well below the national average.
- Wisconsin worker's compensation rates for most industries consistently ranks among the lowest in the country.
- Wisconsin's commitment to quality education consistently results in public school students that outperform the U.S. average in math, science and reading skills, while regularly recording the nation's best college entrance exam scores.
- Wisconsin's Technical College System annually graduates over 4,500 industrial and engineering technicians. Most campuses offer manufacturing improvement assessments, quality improvement assistance and worker training that is customized to business requirements.
- The University of Wisconsin System is a national leader in research and technology transfer. The UW System has 26 campuses across the state and a statewide extension.
- Wisconsin's commitment to public-private partnerships provides the ability to help businesses fund expansions, start-ups, worker training initiatives, and technology. Technical assistance is also available for site selection, financial packaging, export initiatives and a host of other business needs.

Business Parks

Burlington is brimming with opportunity for growing businesses. In total there are ten major highways passing through the Burlington area, as well as the Canadian National Railway. Coupled with Burlington's convenient location midway between Milwaukee and Chicago, businesses in Burlington will find an array of options for transporting goods and services to a broad base of clientele.

The city's two major business parks – Burlington Industrial Park and Burlington Manufacturing & Office Park – span more than 150 acres, and the Burlington Manufacturing & Office Park is expanding to welcome even more business. Burlington provides a streamlined application and approval process for new development and works with the Racine County Economic Development Corporation to offer expert assistance in helping new and expanding businesses.

Annual Average Daily Traffic Counts

Street	Cars Per Day
Former STH 36 (Milwaukee Avenue)	17,951*
Former STH 11 (E. State Street)	8,092*
Former STH 83 (Pine Street)	7,132*
STH 142 (Bushnell Road)	3,419*

Detailed information can be found at www.dot.wisconsin.gov.

Starting up a business?

The City of Burlington works with the Racine County Economic Development Corporation which specializes in creating partnerships between government, business and community interests to promote job creation and long term business investment. A team of economic development professionals applies its skills to each business opportunity, providing technical expertise on federal, state and local programs and resources, as well as the coordination necessary to bring an opportunity to reality. RCEDC provides information on loan programs available through the U.S. Small Business Administration and administers Small Business Financing for Racine County. With a streamlined application and approval process for new development and redevelopment, your new business is more approachable than ever!

Retail

Four major highways, railroad access and excellent proximity to two interstate highways, as well as to Milwaukee and Chicago area markets, make Burlington the ideal place to locate or start a business without leaving behind the "small town" charm and friendliness that are essential to the quality of life here.

From the Midwest headquarters of Nestle Chocolate to the many "mom and pop" retail and service businesses that occupy Burlington's historic downtown, there is a wide diversity of commercial operations, outlying shopping centers and big box stores. The enhancement of the riverfront, improved traffic flow, a newly built parking structure downtown, local art fairs, weekly farmers market, sidewalk celebrations, festivals, live music and a historic downtown business district will make shopping and doing business in Burlington both inviting and personal.

Type of Business	2011
<u>Total Businesses</u>	<u>362</u>

Retail - Other	30
Manufacturing	19
Banks	13
Restaurants	28
Service*	264

*Service includes, but is not limited to health care and dental providers, plumbing, electricians, automotive, financial lending, daycare, etc.

Transportation

Major Highways

Burlington is located directly on State Trunk Highway 11/83/36, approximately three miles south of State Trunk Highway 142 and three miles south of State Trunk Highway 36. Interstate 94 is 20 miles east, US 12 is ten miles southwest, Interstate 43 is 11 miles west and State Trunk Highway 50 is eight miles south of the City of Burlington.

Trucking Service

Racine County includes 95 warehouse and trucking establishments. Parcel service is also available.

Air Service

Burlington is served by three smaller aviation airports: Burlington Municipal Airport, John H. Batten Field in Racine and Sylvania Airport in Sturtevant. Milwaukee's General Mitchell International Airport is located 21 miles to the north and Chicago's O'Hare International Airport is located 70 miles to the south.

Seaport Service

The Port of Milwaukee is located 36 miles to the northeast.

Rail Service

Area rail service is provided by Canadian National Railway, Canadian Pacific Railway and Union Pacific Railroad.

Passenger Rail Service

Passenger rail service is provided by Amtrak with several depot stations within a 20 mile distance.

Land Use Plans

The City of Burlington has several land use plans in place for the physical development of the City, including the character and extent of streets, walks, parks, parking lots, airports, public building sites, waterways, removal of blight and a comprehensive zoning scheme. The purpose of these plans is to guide coordinated and harmonious city development, as well as plan for future needs to promote health, safety, convenience, prosperity, efficiency and economy. Some of the city land use plans include:

- Downtown Historic District Plan
- Racine County Multi-Jurisdictional Comprehensive Plan, 2035
- Park, Open Space and Trails Plan, 2010-2014
- Smart Growth and Cooperative Agreements with neighboring communities
- STH 36/83 North Corridor Plan
- STH 36/83 South Corridor Plan
- Numerous transportation, airport and environmental plans prepared by the Southeastern Wisconsin Regional Planning Commission (SEWRPC).

New Development

In recent years the City of Burlington has acquired "Big Box" stores including Wal-Mart, Menards, Walgreens and Kohls as well as several smaller strip malls. Additional new construction includes a Hampton Inn & Suites, Cannella Response Television facility and HGI Quad Graphics facility expansion. Developments in progress include the Dunham's Sport Store and a Downtown three-story retail and office building. In 2011 the City also annexed forty developed parcels and two vacant parcels.

Hampton Inn opened March, 2011 in Burlington's Historic Downtown.

In an effort to simplify the application and approval process for new development, the City has streamlined procedures to ensure timelines and attention to detail. Several new developments have taken part in financing incentives from the city with the help of Racine County Economic Development Corporation (RCEDC) including TIF (Tax Incremental Financing), grants and Federal, State and local programs and resources.

Cannella Response Television, a worldwide media company, is building their headquarters in Burlington's Manufacturing and Office Park.

Education

Burlington educates more than 4,000 students in ten high-achieving facilities. Burlington schools are nationally recognized for excellence in education, and many schools are available for students at each level. Burlington is home to quality public schools as well as parochial schools and the area's technical college. Catholic Central High School is renowned for its 100% graduation rate and the school is also recognized for highly-successful sports programs that produce many state championship teams. In Burlington, students are offered unique learning opportunities you won't find anywhere else. For example, Burlington High School's program with Memorial Hospital offers students the chance to experience hands on medical training. Burlington's Community Learning Campus brings together Gateway Technical School, Aurora Wellness Center, YMCA Camp MacLean and Burlington High School to offer an additional educational venue in the community.

Quality of Life

Located alongside the White River and the Fox River, the City of Burlington is gaining recognition as one of Wisconsin's best kept secrets. With four distinct seasons, a serene rural charm and low crime rates, the city offers a wonderful quality of life that recently prompted Milwaukee Magazine to name Burlington one of the top small towns in Wisconsin.

Ample recreation options are highlighted by the picturesque Riverwalk where you can walk and bike along the Fox River. A newly-created bypass around the city's exterior has helped to alleviate traffic and enhanced the atmosphere of Burlington's unique historical Downtown.

Outdoor Recreation

Burlington is a place where small town values permeate a beautiful rural atmosphere. The Burlington Parks and Recreation Department maintains 26 parks stretching across 170 acres of the community's diverse terrain. Pedestrian and bicycle trails blaze a path connecting the city's parks and in total you'll find 100 miles of biking trails in the community, spanning from rustic roads to Burlington's scenic Riverwalk.

In addition, the area is home to 16 lakes and rivers, making Burlington a paradise for fishing and boating enthusiasts. Skiers can challenge themselves at the nearby ski hills of Wilmot and Lake Geneva, while recreation options await you ten minutes away at Richard Bong State Recreation Area.

Every year since 1993, Burlington has

been recognized as a Tree City USA by the National Arbor Day Foundation, and with ample green spaces for residents, the community continues to maintain its commitment to a beautiful natural environment.

Entertainment

As the home of the Nestle Chocolate Factory, Burlington has no shortage of chocolate-themed tourism for visitors. Every Memorial Day, thousands of visitors come to Burlington to celebrate ChocolateFest – a four day event with chocolate eating competitions, carnivals, and family-friendly fun.

The Chocolate Museum is located at the Burlington Chamber of Commerce and features Nestle memorabilia along with presentations highlighting the history of chocolate. Other museums include the Spinning Top Museum and the Historical Society Museum. In Burlington, you can also step into yesteryear and see a show at the oldest continuously running theater in Wisconsin at the Malt House Theater.

Within a short driving range from Milwaukee, Chicago, Kenosha, Racine and Illinois, season events are unlimited. Burlington hosts a busy calendar of events, from weekly Aquaducks Water Ski Club Shows and Farmer's Markets, to the Art in the Park Festival and Memorial Day and Christmas Parades. And the Burlington area is ideal for golf lovers as you'll find five great courses right nearby, including a five-star course that was recently rated one of the Top 25 New Courses by Golf Magazine.

Medical

Residents benefit from centrally-located health services as well as four senior and assisted living facilities. Several advanced health care facilities can be found in Burlington including the Aurora Memorial Hospital of Burlington and over thirty hospitals in surrounding counties. Aurora Memorial Hospital of Burlington, located at 252 McHenry Street, provides inpatient and outpatient care from over 100 physicians ranging from diagnostics to the most advanced medicine found anywhere in the world. Aurora also provides Occupational Health Services, Employee Assistance Programs, several pharmacies and the Vince Lombardi Cancer Clinic.

The City of Burlington also houses the Western Racine County Health Department which serves twelve municipalities. The Western Racine County Health Department provides state mandated community health services. Its duties include the enforcement of state public health statutes and rules and City ordinances related to public health and sanitation; the investigation and supervision of the sanitary conditions of all premises in the City; and the promotion and spread of information as to the causes, nature and prevention of prevalent diseases and the preservation and improvement of health.

Utilities & City Services

Municipal Water Service

The Water Department provides adequate water flows and pressures throughout the service area for domestic consumption and fire fighting purposes, and maintains a quality cost efficient product by the operation and management of a distribution system. This department also repairs all water lines, towers, tanks and appurtenances. There are five wells with a system pumping capacity of 9.0 million gallons/day. The average daily water consumption is 1.6 million gallons.

Meter Size	Quarterly Charge	Public Fire Charge
5/8 Inch	26.25	23.10
1 Inch	36.00	57.60
1 ½ Inch	51.00	114.00
2 Inch	78.00	183.00
3 Inch	126.00	345.00
4 Inch	207.00	576.00

Municipal Sewer Service

Sewer Rates		
\$23.40 Quarterly Service Charge	+	\$2.21/100 cu. ft. water used

Wastewater Department

The Wastewater Department is responsible for the treatment and disposal of all wastewater (sewage) generated in the Sanitary Sewer Service Area (SSA) meeting all State and Federal requirements. The Wastewater Treatment Plant average hydraulic design capacity is 3.5 million gallons/day. The average annual hydraulic loading is 2.2 million gallons per day. The plant performs complex processing of wastewater in order to keep our environment safe and pollution free. It processes wastewater from the City and surrounding areas to produce clean water which is discharged into the Fox River.

Street Department

The Street Department provides maintenance of public streets and drainage ways; winter snow plowing of streets, alleys and municipal parking lots; maintenance of street signs and traffic signals; maintenance of the compost site and dog pound; brush and leaf collection; noxious weed control; and maintenance of public buildings.

Fire Department

Our Fire Department is one of the few departments in the state with an ISO Class 3 rating. Class 3 is a very good rating for a fire department and indicates the department is well staffed, equipped and trained. In addition to providing excellent fire call response, an additional benefit of the department achieving this rating is a reduction in fire insurance rates to business and residential property owners.

Police Department

The Police Department provides patrol to all parts of the City, responds to calls for police service, conducts investigations in

response to reported crimes, generates and maintains records of all reported crimes and police related incidents; provides emergency response to major accidents, natural disasters, civil disorders and other public emergencies, and offers community crime prevention services.

Public Library

The Library provides a diversified selection of reading and reference materials, as well as materials to serve special interests and community needs, for the benefit of patrons residing in or visiting the City of Burlington. The Library is open to patrons six days a week (65 Hours), and offers a number of special services such as juvenile and adult programs, public internet access, interlibrary loan, books on tape, videos, CDs, and DVDs.

Municipal Airport

Burlington Municipal Airport, located on the west side of Burlington, is an unmanned general aviation facility owned and operated by the City. The airport is one of the few municipal airports in the state that is financially self-supporting. There are two runways at the airport: 11-29 (4,300 feet, paved) and 01-19 (2,700 feet, grass). In addition, there are two hangar areas, with multiple sites available to lease and construct private hangars, several local airplane related businesses, and self-service fuel.

Electric & Natural Gas

Electric Power and Natural Gas utilities are supplied by WE Energies which offers natural gas, electricity, steam and water services in portions of Wisconsin and Michigan.

Solid Waste and Recycling

The City of Burlington contracts for the collection of residential municipal waste on a weekly basis with Veolia Environmental Services.
